

1. Conscious Formulas: Pure and Natural

100% Vegan

Our products are 100% vegan, created with natural ingredients and pure essential oils for guilt-free, clean beauty.

No Animal Testing

Beauty without cruelty: none of our products are tested on animals.

Microplastic-Free

Our formulas are free of microplastics, caring for your skin and the environment.

Toxin-Free & Chemical-Free

We eliminate harmful ingredients like parabens, silicones, and PFAS, offering skincare that's as gentle as it is effective.

2. Eco-Friendly Practices: Protecting the Planet

Palm Oil Free

We say no to palm oil to prevent deforestation and protect biodiversity.

Low Water Usage

Our production processes prioritize minimal water consumption, respecting this precious resource.

100% Recyclable Packaging

Our products come in recyclable glass jars or PP materials, and we avoid unnecessary secondary packaging like cartons.

Packaging Return Option

Local customers can return empty containers to us for professional cleaning and reuse, reducing packaging waste.

Low-Emission Deliveries

We deliver orders by bike within Amsterdam and use low-emission carriers outside the city to minimize our carbon footprint.

3. Responsible Production: Ethical and Local

Locally Made in Amsterdam

From formulation to production, our products are crafted in our Amsterdam lab, ensuring quality and care every step of the way.

EU European Sourcing

We prioritize ingredients sourced from Germany, the Netherlands, Switzerland, and Poland to reduce transport emissions and uphold European standards of sustainability and worker rights.

Fair Wages

We pay our workers and suppliers fairly, ensuring ethical practices across our value chain.

Towards Zero Waste Production

By producing in small batches and aligning manufacturing with demand, we minimize waste and maximize freshness.

4. Thoughtful Customer Experience: Personalized and Sustainable

Reducing Product Waste

Our expert consultations and samples help you find the perfect skincare match, avoiding unnecessary returns and product waste.
